

Providers (Physicians, Physician Assistants, and Nurse Practitioners) with fast-paced and high volume experience, are needed with one of Maryland's largest urgent care companies.

If you are comfortable seeing all ages and the following procedures (to name a few):

- stapling and suturing
- incision and drainage
- cast/splinting
- image interpreting

...We may have a full-time schedule for you (3-4 days, 8-12 hour shifts).

*(Part-time opportunities are available)*

**Are you a healthcare professional looking for the perfect work-life balance? If so, it is the right time to check out Maryland's leading urgent care provider. Practitioners will receive a highly competitive compensation package.**

Benefits include:

- Malpractice Insurance coverage (tail included)
- Health Insurance
- Dental and Vision Insurance
- Life and Accidental Death Insurance
- Long Term Disability Insurance
- CME & Tuition Reimbursements
- Access to our free CME accredited on-line training program
- 401k with Righttime matching contribution
- Job Type: Full-Time
- Part-Time opportunities are available

Additionally, our professionals will promote the appropriate use of antimicrobials (including antibiotics), improving patient outcomes, reducing microbial resistance and decreasing the spread of infections caused by multidrug-resistant organisms. Be a part of a dynamic, collaborative environment with opportunities to grow and expand your practical experience.

Are you a person driven to help others? If so, this is the right time to look into this opportunity!
